6 BELLS CASE BEFORE A JURY IN COURT FOR IRREGULARITY

Police Judge Hiram Jacobs is presiding at the jury trial of Barney Barrish, proprietor of the Six Bells roadhouse, who faces a charge of violating the county gambling ordinance. Barrish was arrested several weeks ago by Sheriff R. R. Veale upon information filed with that office by members of the Good Government league.

Barrish, when taken into custody by the officers, was found to be violating three county ordinances, the county closing law, the county dance hall ordinance and the county gambling ordinance.

One of the slot machines taken by the officers was introduced as evidence at the trial today.

Witnesses to testify at the trial were H. L. Stanley, E. J. Henderson, of the Henderson-Tapscott real estate firm, owners of the property, Deputy Sheriff Al Browning and Undersheriff William Veale.

The jurors trying the case are: W. H. Conn, A. P. Wilson, A. A. Barber, W. B. Jenkins, A. Gratten, A. C. Burdick, Edward Dearborn, Frank Lucas, Max Michaels, W. F. Douglass and W. F. Petillon.

Mrs. Fisher was recently burned in the explosion of a coal oil stove from which she may not recover.

NOVEL SELLING PLAN IS LINKE DWITH GAME

A novel selling scheme for the sale of Stetson hats has been linked with the Harvard-Yale football game of November 25 by Ward and Wayne McRacken, managers of the Hub clothing store on the west side of town.

To each person buying a new Stetson hat the store allows them to make a dollar bet on the outcome of the game. The odds are one to nothing. The purchaser may have his choice of choosing either Harvard or Yale.

PLAYGROUNDS FOR CITY ARE URGED AT MEETING

Edward DeGroot, superintendent of public playgrounds in San Francisco, was one of the principal speakers at the meeting of the Parent Teachers association in the Lincoln school yesterday at which time the matter of playgrounds for this city was thoroughly descussed.

W. T. Helms, superintendent of schools in this city, informed the association that the council was preparing for the appointing of a playground commission which would have full authority in the matter of recreation grounds for the school children of Richmond.

Mrs. C. S. Gibson, relief superintendent of the Social Service bureau and chairman of the philanthropic committee of the Parent Teachers association, promised support to any movement for playgrounds.

Mrs. H. A. Stiver, chairman of the educational committee of the Parent Teachers association, announced to the meeting that Rev. Frank Linder, pastor of the Wesley Methodist church, would speak before the association on Thursday, December 14, at the Lincoln school.

The program for the afternoon was concluded with several musical and vocal selections by the high school trio and members of the mandolin quartette of the school. A cornet solo was also rendered by Miss Esther McKee.

DeGroot said in part:

"There are a great many people who feel that is is rather nonsensical for playgrounds to be purchased and kept up with public money. This is absurd, for it is by playgrounds that the children develop better physical appearances and enjoy better health. In some cities the playgrounds are regulated by park boards, others secure their playground grants from school boards, while still others work under a playground commission.

"It was generally assumed that with the starting of a Parent Teachers association in any town or city that it would work directly against the school or any proposition which the school might offer. But this has been found to be in error, for the Parent Teachers association, working harmoniously with the schools, can accomplish much better results."

MAYOR ASKS THAT ALL STORES CLOSE IN BIG WELCOME TO SOLDIERS

The following statement was issued by Mayor E. J. Garrard today relative to the home-coming of Company B from the Mexican border tomorrow evening.

"This welcome should be participated in by everyone in order that Richmond might show her appreciation for the soldiers."

MUST ADVERTISE FOR GOLD NUGGET OWNER

(Special to Record-Herald)

MARTINEZ, Nov. 15.—That the gold coin and nuggets found by little George McKenzie on the Rankin ranch a year ago are not treasure trove as the old common law interpreted treasure trove, but that the gold is simply lost property which must be advertised in an effort to discover the real owner and that pending the discovery of such owner the finder is entitled to possession is the opinion of Judge Henry C. Gesford of Napa in deciding the suit of Mrs. S. E. Rankin vs. Judge A. B. McKenzie.

GRAND JURY ENDS PROBE LATE TODAY

(Special to Record-Herald)

MARTINEZ, Nov. 15.—Two indictments of two counts each were returned by the grand jury this afternoon against Assistant City Engineer Walter Hughes of Richmond. They charge the falsifying and destruction of public documents.

(Special to Record-Herald)

MARTINEZ, Nov. 15.—Walter Hughes, accused assistant city engineer of Richmond, indicted by the grand jury today for falsifying city records, was released on $2500 cash bail from the county jail last night. The money was deposited with Police Judge Hiram Jacobs of Richmond by the parents of the accused official.

(Special to Record-Herald)

MARTINEZ, Nov. 15.—Excitement ran high about the courthouse for the greater part of today as to what the report of the Loveridge grand jury would be in the case of Walter Hughes, young assistant city engineer of Richmond, facing charges of having falsified city books.

Whether more than one person would be indicted by the inquisitorial body was the subject for much discussion.

One of the last witnesses to give testimony before the grand jury was City Clerk A. C. Faris, of Richmond. He testified to the alleged changes in the books of his office which to his knowledge must have been done by Hughes.

Other witnesses to give testimony at the investigation today were City Auditor James A. McVittie and City Attorney D. J. Hall.

DUE AT SANTA FE DEPOT AT 5.27 ON AN EASTERN TRAIN

Santa Fe officials in this city received word this morning that train No. 9 from Chicago would arrive at the Macdonald avenue depot at 5:27 o'clock tomorrow evening with a special car bearing the members of Company B from Los Angeles.

HIGH SCHOOL NOTES AND NEWS

A rally will be held Friday evening in the gym to get spirit for the coming basketball season and to bid farewell to football. There will be a large bondfire for which the freshmen will get the wood. After the fire they will go to the gym where speeches will be made by the students.

Captain George Peres will present the football to next year's captain, Errol Lane. E. Barr will give a talk on football. Mildred Truitt and Captain Anita Krueger will speak on basketball for girls.

Yells will be led by E. Barr and Christian.

The rally will be concluded by a boys' basketball team between the high school and alumni team.

The girls' asketball team of the high school will go to Oakland tomorrow afternoon where it will play the crack girls' team from Miss Heads' school.

Captain Krueger of the local five is confident of winning the game.

Possibilities for a Thanksgiving football game between the alumni and the local school's winning team seems to have dwindled out of sight. The school team has abandoned the game for the present year and will not engage in any more contests. The Thanksgiving game of one year ago was won by the high school team by a score of 28 to 0.

GLASS OF WATER BEFORE YOU EAT ANY BREAKFAST

Wash poison from system each morning and feel fresh as a daisy.

Every day you clean the house you live in to get rid of the dust and dirt which collected through the previous day. Your body, the house your soul lives in, also becomes filled up each twenty-four hours with all manner of filth and poison. If only every man and woman could realize the wonders of drinking phosphated hot water, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

Everyone, whether sick or well, should drink each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do. Advt.

WILSON WINS TWO VOTE LEAD OVER RIVAL IN CO.

(Special to Record-Herald)

MARTINEZ, Nov. 15.—Woodrow Wilson increased his majority over Charles E. Hughes by two votes when the official totals of the votes polled were tabulated Tuesday afternoon. Computing majorities from the two highest men on each ticket, John A. Britton (R) received 5732 votes against Francis J. Heney (D) 6092. The semi-official returns gave Wilson a lead of 358. There is a difference of 44 votes between high and low man on the Republican electoral ticket and 32 votes difference in the Democratic column. Albert J. Wallace was the low Republican elector.

The official canvass of the vote was completed by the board of supervisors late Monday afternoon, after the entire day had been given over to that work. There was but little interest manifested in this county over the official canvass, the only witnesses being the representatives of the two political parties.

INTERNATIONAL DANCERS MAKE APPEARANCE IN NEW FILM PLAY

This business of making up for the motion picture screen is a very trying one, particularly for stage celebrities, because they cannot use the same brilliant hues which delight their souls before the footlights. When Maurice and Florence Walton, the internationally popular dancers, first reported to the Famous Players studio to take their camera tests before posing in "The Quest of Life" at the Richmond theater today and tomorrow, in which they make their photoplay debut, each followed the instructions of an experienced member of the studio. Then they met and their opinions were delightfully frank:

"Why, Maurice, you look absolutely weird with all that light stuff on your face!" exclaimed Miss Walton.

"You look like a ghost yourself," retorted her partner. And then they both took their places before the camera and found they were made up correctly.

BLAKE TELLS OF A NEW SOLUTION TO KILL FLIES

A new muscicile that has not, as far as we are aware, been yet recommended for the poisoning of flies is the use of sodium salicylate. It possesses certain marked advantages over formaldehyde, which is generally used, especially for household use. It is a less objectionable substance to have about the house, it is a solid which does not lose its strength and in the preparation of the solution, it is of not so great importance that the exact strength recommended be adhered to.

For household use, the solution may be prepared by the addition of three teaspoonsful of the powdered sodium salicylate to one pint of water. Nearly fill a glass tumbler with the solution, place over this a piece of blotting paper cut to circular form and somewhat larger in diameter than the tumbler and over this insert a saucer. Now invert the whole device and insert a match or toothpick under the edge of the tumbler to allow access of air. The blotting paper will remain in the proper moist condition until the entire contents of the tumbler have been used and the strength of the solution will be maintained. A little sugar sprinkled upon the paper will increase the attractiveness of the poison for the flies. This preparation may be safely used where there are young children as no bad effects would result from the consumption of a considerable quantity of the salicylate.

This method of ridding a room of flies is highly recommneded by the Richmond Health department and it is hoped that all homes will make a trial of this new, harmless method that we are advocating with the best of success.

CHARLES R. BLAKE,
Commissioner of Health.

BUYS BOLIVIA CLOTH COAT AND FOX FUR BOTH IN ONE DAY

Yesterday afternoon Mrs. Blank went shopping. She wanted—and needed—two things: A Winter Coat and a Fur Scarf. She figured that she had enough money to buy one of them, but couldn't decide which one to get now and which to put off until the first of the year.

She looked at Coats at many stores, seeing dozens of models which pleased and yet did not entirely satisfy her. Incidentally, she discovered that Coats this season are higher priced than they've been for years—and that the money in her purse wasn't enough to buy the kind she really wanted!

What did she do? Go home discouraged, disappointed and miserable? No, indeed! She didn't go home until dinner time, and when she did finally board the homeward car, she was anything but unhappy. You see, she spent the time "in between" at CHERRY'S CREDIT SHOP.

There she purchased one of the richest and most distinctive Bolivia Cloth Coats to be found anywhere, in just the shade she wanted and just the style. More than that, she bought a wonderfully beautiful Fox Fur. On each of them Mrs. Blank made only a moderate deposit, but she's wearing her coat and fur today, and will wear them all the time she's paying for them. A few dollars each week will make the paying easy.

The same Credit System is at your disposal at any of the following stores: Women's store at 515 Thirteenth street, Oakland. The men's shop is at 528 Thirteenth street. San Francisco stores are at 2400 Mission street, corner Twentieth, and at 1009 Market street, just above Sixth. Also Tacoma, Portland, Los Angeles and Sacramento.—Advt.

POPE, KING OF SPAIN AND WILSON SEEK PEACE

WASHINGTON, Nov. 15.—A long conference between President Wilson and Colonel E. M. House, his personal adviser, who quietly arrived at the White House last night, caused reports in official circles today that a move toward European peace was being seriously contemplated by the President. Secretary to the President Tumulty declined to comment upon the conference. It is known that serious consideration is being given to continued efforts in European quarters to have the Pope, President Wilson and the King of Spain join in asking the belligerent nations to move for peace.
